

DANIEL LINDHOLM

FSC

CINEMATOGRAPHER

Daniel Lindholm is a Finnish Swedish internationally awarded cinematographer. To name a few, he has won best Cinematography at The European Independent Film Festival ÉCU and Silver in Cinematography at London International awards LIA. His work is cinematic with clear aim for captivating and atmospheric imagery, still always focusing on the narrative. Daniel feels the interaction with people is essential in the film making process. His credits include 7 feature films. The buzzed about Lake Bodom made a mark in the genre scene and the cinematography has been praised by The Hollywood Reporter, Variety and many more. Daniel has shot over 500 commercials all over the world. He is a member of the Finnish Society of Cinematographers, F.S.C. and has a Masters degree in Cinematography from Aalto University.
